Engaging Community, Inspiring People, Improving Lives

Engaging COMMUNITY

PROGRAMS THAT BUILD COMMUNITY

LACF operates programs that encourage civic engagement, create new leaders, and build community.

- **Block Action Team (BAT)** volunteers help prepare their neighborhoods for emergencies, crime prevention, and senior support. 1500+ households are currently involved.
- **E3 Youth Philanthropy** empowers students to become better citizens for tomorrow through hands-on learning of service, nonprofits, and grantmaking.
- **Leadership Education Advancement (LEAD)** participants learn about community engagement and meet local leaders. Since 1995, over 400 residents have taken the program.
- **Los Altos Dispute Resolution Service** involves community members in conflict management and mediation to help resolve individual and community disputes.
