Los Altos, CA, February 7, 2019 – E3 Youth Philanthropy, a program of Los Altos Community Foundation, is now accepting applications from students entering 10th or 11th grade this fall. E3 educates, engages, and empowers local youth to create positive change in their local communities. Students who reside in Los Altos, Los Altos Hills or Mountain View, and/or attend school in one of those three communities are welcome to apply. Applications will be accepted February 14 – March 30, 2019. To apply visit: losaltoscf.org/e3.

The E3 program term is a two year commitment. Students meet twice a month in Los Altos, from 7:00-9:00pm, mid-August through April. Through E3, program participants have the opportunity to:

- Learn from local philanthropists about nonprofits and the positive impacts of strategic giving
- Design and participate in service projects
- Research, analyze, and advocate for potential grant recipients
- Develop leadership and communication skills

Now celebrating its 13th year, E3 currently has 25 members from local public and private high schools. In 2018, E3 was named Outstanding Philanthropic Youth Organization by the Association of Fundraising Professionals (AFP) Silicon Valley Chapter.
